

August 23, 2017

Dear Room 116 Family,

My name is Lisa Monson and I will be your child's classroom teacher for the 2018-2019 schoolyear. I really look forward to meeting you and working together. To those of you I know, I can't wait to work with you again! I am very excited about my move to 4th grade. For the past three years, I taught second grade at Waite Park. I've always enjoyed variety in my teaching experiences, so when the 4th grade opportunity arose, I was enthused to make this move. When I was an elementary student, I loved 4th grade and found it to be my very favorite grade. I feel fortunate to be teaching your child during this special year.

In Room 116 our specialist classes meet almost immediately after arriving at school, 9:10-10:05 a.m.

Monday – Media/Tech with Ms. McEathron

Tuesday – Art with Ms. Hubert

Wednesday – P.E. with Ms. Tollefson (Remember to wear gym shoes!)

Thursday – Media/Tech with Ms. McEathron

Friday – Music with Mr. Thomas

Recess/Lunch is scheduled from 12:20 – 1:00. We will also have a 10 minute indoor recess break during our morning block.

Remember the Waite Park way. We are **respectful, responsible** and **safe!** I look forward to a great year!

Sincerely,

Ms. Lisa Monson
